Schools Wisconsin**

Did you know your trip to the MacKenzie Center can help your school receive recognition from Green & Healthy Schools Wisconsin? Get outside, learn more about the natural world, and put your MacKenzie Center classes in the following focus areas of the Green & Healthy Schools Wisconsin application at MyGHSWisconsin.org:

Focus Area	MacKenzie Center Class Title/Topic
Community Involvement	Team-building when used to connect your school's GHS projects to your community
Environmental & Sustainability Ed	Wildlife, forestry, nature exploration, invasive species, museum tours, outdoor skills
Health & Wellness	Squirrel Scramble, nature hikes, any class showing benefits of outdoor exercise
Recycling & Waste Mgmt	Introduction to Composting
Water	Groundwater, ponds, lakes, watersheds, water quality, or the water cycle

Green & Healthy Schools Wisconsin is a partnership among the Wisconsin Center for Environmental Education, Wisconsin Department of Natural Resources, and Wisconsin Department of Public Instruction. Begin your application at MyGHSWisconsin.org or for more information, visit ghswisconsin.org or call 608-267-7622.
